

IF ALL BUT LOVING THOUGHTS HAVE BEEN FORGOTTEN.....

What remains IS eternal. And the transformed past is made like the PRESENT. No longer does the past conflict with NOW. Now you might say, "Well, wait a minute, the now is conflicted. How can the past that's been cleaned up not conflict with now?" Well, because now...now... now... now...now...now...now is at each instant God expressing Himself totally as the Movement of Creation and it is un-conflicted. It is flawless right now... now...now...now...now. You see? You drag the conflicts from the past and apply it to the now...now...now...now...now and immediately cover up what was perfectly new, now...now...now...
