

AGAIN, I WANT TO REMIND YOU.....THAT NO MATTER HOW WELL THINGS ARE GOING FOR YOU, IF YOU'RE STILL EXPERIENCING SIN, SICKNESS AND DEATH...YOU ARE NOT EXPERIENCING SUCCESS. You are not experiencing truth because you are denying the fact that God is all, in all. And therefore what is happening is happening at God's Hand because it's the Movement of Creation which your choice to participate in the holy instant moves you into the access of.

It's your Birthright to be that which observes, is conscious of, the Movements God engages in as the act of Creation—the forever Movement of Creation. As you move back into that state of attention, the happy dream is the result. The comprehension of truth infills you and gives you peace and allows you to move in harmony with what God's Will is bringing forth in the movements that you had before, called the world and universe that started from a "Big Bang" and is constituted of the definitions you have adopted either by your own creation or by being taught by others what it is, without ever shutting up and saying, "In spite of what I've been taught Father, in spite of what seems intelligent to me, Father, what is the truth here? I think it's a material world and universe. I want to see and experience the Kingdom of Heaven which You have told me it is, which it has been revealed to me is the truth about it. I do not know how to shift from my definitions and the teachings I've adopted, into what to me seems to be an utterly uncontrollable, original experience of what you, Father, are Creating. Help me because I do not know how to do it."
