

## **Jeshua on the body**

In the world, the body is what your brother or sister sees. Would you not have it offer Me in every gesture, in every movement, in every choice born of a Vision NOT of the world? Would you not seek to reveal the Light of Reality so clearly that no mind can remain imprisoned in the dream of Separation, but rise to join you, and therefore to join Me in demonstrating that death IS unreal, and only God IS?

Can you see how important you are as you reflect via the mind and body what you most believe is true about your Self, and therefore, about God? What DO you want your brother or sister to see? Remember, the body is simply an EFFECT of your use of Mind, and reveals clearly what you truly MOST believe about your Self. Obviously, the lower mind -because it IS split in its dishonesty - can cherish beliefs about the Self that are merely imagined, but not yet fully realized.

Until you elect to realize the Self in Form, you will not fully have come to see that you ARE redeemed, and your brother and sister with you. The body always reflects perfectly what may yet be hidden in the unconscious, carrying vibrations you may not wish, just yet, to give up to Love. Primary among these is the WISH TO KEEP CHRIST HIDDEN, and thus minimize what the mind knows as 'personal risk'.

Clearly, the idea of personal risk MUST be a delusion, since CHRIST IS NOT A PERSON, but the fulfillment of Personhood, or Individuation. 'Christ Incarnate' IS the way in which the Father reveals Himself, calling to His creation to remember, to waken, to 'come Home, again', as it was in the Beginning, and even NOW IS.

It is not possible for the body to be apart from the reach of Love's Light, for this WOULD mean something CAN exist that limits Love. I come not to teach denial in any form, EXCEPT denial of the ego's thought system, that causes the EFFECT you see as the 'world'. IT IS NOT THERE. But the Love of God as the extension of Light, IS. This is why I said to Helen: 'Nothing around you is but part of you.' You can see nothing BUT the fulness of Creation, which IS your Self, WHEN you truly remove the obscuring filter of Ego, and its thought system. Then you will know that 'heaven IS spread across the face of the earth, but Mankind sees it not.'

The goal of Christ is the full Incarnation of Truth. Truth IS Light, and Light IS Love. While you will BEGIN your journey by BELIEVING and DESIRING this to be true, until you Realize the Truth AS your lived Being, you will not yet KNOW it, for Knowledge is to know by BEING that which is known. It IS your Being that reflects what you truly accept as true about your Self, about God, and about Creation.

If you hear My message, you MUST join me in the Great Crusade. This does not mean the attempt to persuade others of ANY limited belief, nor to adhere to a thought system as OPPOSED to another, but to go beyond the need of ALL of them, through your own willingness to undergo Transfiguration.

This MUST transform EVERY aspect of your experience, and among these are not merely your relationship TO the body, but your expression of Spirit AS the body, that is, as a temporary Form that can come to be seen even in this world. I accomplished this both before, and after the crucifixion and resurrection, and continue to do so. And so shall you.

When I said 'your creations await you', I was not excluding ANYTHING. The body, your use of it in Time, and in every precious moment of relationship, IS your creation, or extension of what you have wished to believe. When you truly no longer wish separation in ANY form, nor at any level, the Light of Soul WILL penetrate your illusions ABOUT the body, for Soul sees nothing but Itself; only the intellect, or lower mind insists on the duality of Spirit and Matter. The language of duality IS necessary in the beginning, for discerning is essential. However, Oneness emerges as the need for duality is completed, and teaching takes on a new form, revealing and guiding you if you are willing. Remember, there is nothing outside you.

-The world is a vast array of perceptions, attitudes, and beliefs designed to veil Reality from your Self, to 'see wrongly' and thus MAKE your own kingdom. THERE IS NO SIN IN THIS, only the eternal use of freedom to USE LIGHT to experience what you wish. In the end of all wishing, only Reality is desired. Then, the Great Return begins. When correction is completed truly, THEN is the Holy Child of God returned to the role of Creator, for have I not said: you were created to create?

The extension of Creation IS your natural role. It remains so in all dimensions EXCEPT in the world you have made to forget Creation. Yet, creation is not complete UNTIL you join me in the transfiguration of the world itself, thus proving its unreality, AND revealing that Only Love IS Real. IN Love is perfect power. You have ALWAYS been using it, and cannot help but do so. WHAT you use it FOR determines everything. Let your final desire be the coming of heaven to earth, that not one vestige of your Self, not one brother or sister can justify the Dream of separation any longer!

If you give yourself to this, I will give myself to you fully as you rise up to your one purpose: To BE the living demonstration in all aspects that Christ IS risen! This IS much more than mere belief. It must come to penetrate and encompass 'the least jot and tittle' of Mankind's shared experience. Be you, therefore, that which you ARE, and you ARE the Light made visible IN the very world you once made to attempt the denial of Light. Remember, you will

NEVER walk alone, and all power is given you, NOW, to go beyond all that you think you are, to discover all that you TRULY are, and know it by BEING it. In this is time itself transfigured into eternity.

When heaven has fully 'come to earth', the purpose of Time will be completed. You CAN, and MUST, escape your illusions, but you CANNOT and should never WANT to escape your Purpose, and can this be other than My own? We come to reveal God, until all of Creation is returned AS That One, and creation is completed in its unified expression of PRAISE FOR LOVE.

Ameyn.
