

## TO HELL WITH THOSE STILL DREAMING!

You don't have the perspective to know whether they are really asleep or not, and would you stay in your dream to save them from their dream if you knew they weren't really asleep? You cannot afford to govern yourself according to your current perceptions. Maybe the lack is the crumbling of something illusory that doesn't need to be reestablished. You will not know until you choose for Me/You.

You see, I am not riding around in your hip pocket. The "you" that thinks I am is riding around in the hip pocket of You. And You and I are brothers. You hear me instead of your Self because your sidekick cannot acknowledge You. Indeed, this is an Awakening, or healing of mental illness-confused identity-and will affect and consume every perception of your existence. One is never selectively insane. Misperception colors all of one's experience.

I will tell you something else: You have friends to meet and greet you when you come out of this misperception of self whom you will enjoy re-recognizing. To hell with those who are still dreaming! You don't have the perspective to know whether they are really asleep or not, and would you stay in your dream to save them from their dream if you knew they weren't really asleep? You cannot afford to govern yourself according to your current perceptions. Maybe the lack is the crumbling of something illusory that doesn't need to be reestablished. You will not know until you choose for Me/You.

Would you not be in your right Mind? Would you not choose to move beyond even the happy dream? The happy dream is a stepping-stone, not a place to settle into. The happy dream is insubstantial-dreamlike because it still isn't Reality. But, it does promote the dissolving of denser illusion which seems so real. And, as I said, the stepping-stone begins to crumble, and you must make the final leap across the little gap that is no gap at all.

The issue here is not money or schedule or any other obligation to the human condition. The issue is Listening permanently-committing to me rather than your fantasy sidekick, your imaginary self. In this act, you must necessarily come into the full conscious awareness as my brother-the real You that You Are.

~Jesus to Paul, 1/14/91 as described in "Graduation, the End of Illusions" by Paul N. Tuttle

All of the activities of the Northwest Foundation for "A Course In Miracles" are provided without charge or obligation. This is possible because of thoughtfulness, love extended without conditions. Such is the nature of Gift. As a result these materials are available to you, because someone like you has already gifted you with them. And, at Raj's instruction, these materials will never be sold. If you would like to add your thoughtfulness and love, to gift others with the availability of these materials, please contact [www.nwffacim.org](http://www.nwffacim.org)

Now I am present with and available to every single one of you, everyone at every moment. And so it is my intent in being with groups of people like this to make this fact known and by Paul's presence and demeanor also convey the fact that my being available doesn't require of anyone any special talent, because Paul is about as regular as anyone else on this planet and has no "special" talent in order to hear me. Does that clarify that for you?

For those of you who are students of "A Course In Miracles," I will take this opportunity to point out that my time spent with Helen Schucman was also not a special instance. And although there have been some expressions of the fact, or the idea-not the fact-the idea that everyone else can't expect the same sort of relationship with me or with Guidance that she experienced, is untrue. It is an attempt to elevate her, and to elevate the Course into a false position of religious respect, whether it is stated that way or not.
