

THE WAY OF MASTERY

The Aramaic Beatitudes - *Pathway to the Christ Mind*

- 1) Now is the ripe time to make my home in the breathing Unity. The fertile soil of the Queendom will birth my clear guidance.
- 2) Restored are they who allow their inner pain to surface. They shall touch the place where Love carries them to greater wholeness.
- 3) Having made soft what was rigid within, a new ripeness shall bring renewed inspiration and confident strength will flow through me.
- 4) Resting in my deepest longing, I shall feel the power of Spirit move to carry me in the direction of my true fulfillment.
- 5) Restored in perfect Union with radiant Love, it shall begin to extend from my own heart-center, blessing others through my creations.
- 6) Wise am I who is consistently restored in this way. Like flashes of lightning, God will increasingly reveal itself in the depth of my soul.
- 7) Ripening in the new Wholeness, I shall become a channel for new creations serving the same restoration in others.
- 8) Then, comes the birthing power that forces me further from my old habits, that I may touch more deeply my true Home in Divine Mystery.
- 9) Others will project, attack with vicious words, or even separate from me because my creations threaten them. Know they seek to divert my unfolding in Spirit.
- 10) I resolve to increase my radiant aliveness, dissolving the last vestiges of fear as my Union matures fully. All before me, who awakened to Divine Purpose likewise passed thru this final learning.
