Private Joining & Channeled Listening

Welcome Beautiful Friend. It is with great Joy that I look forward to our time together. The form our communication takes does not matter. Whether our time together will be in person or using a technology interface, the result is the same, we will be joined as One in the Christ Mind.

There is only one rule: *There are no rules! Wahoo, for that. We can't screw anything up.* You are free and sovereign. I honor and respect you as the Child of God you are. Please allow your mind to relax. Dispense with all the mind's ideas of right, wrong, should, shouldn't: simply open and allow Love to guide our time together. Your Heart already knows the way.

Know this, I cannot give you anything, that in Truth you do not already possess. I will joyfully stroll beside you as we walk a bit together on your path, the way you are choosing. I serve but to remind you that You are Love, Now! I will, however, fully exercise my limitless power to Love you without measure or reservation. It is my eternal Joy to do so. I am grateful to join with you in One Purpose, Love.

I do this sharing as a gift of and service to Love, for we are indeed One Self. I leave it to you and your inner guide to determine the value of our sharing. Love Offerings or Donations can be given in person or by simply clicking the give button to the right -----> or by going to OneWhoWakes.org and clicking the give button in the upper right corner of the home page.

In joining, there is often much uncovered and revealed. Our time together can be recorded. This allows you to just relax and not worry about missing any details. I will then e-mail the recording to you for your private review. If you prefer to not have the session recorded, just let me know.

John Mark Stroud awoke to limitless Love of the Christ Mind while living A Course in Miracles.

After his awakening he was guided thru several other Christ Mind's channeled teachings: A Course of Love, The Way of Mastery and I Am the Word.

Come simply to be in Christ's peaceful presence. Join and simply sit deeply in the silence that is Christ's Peace or engage in an open dialogue. Either way only Love and Healing await you. All are Welcome!
